special guest Luke Jensen!

The background of the postcard features a collage of several circular images related to tennis. At the top left, a woman is shown in mid-swing. Below her, two other players are visible: a man in a red cap and a woman in a white shirt. In the center, a man in a white polo shirt and cap stands with a young boy. To the right, a woman in a wheelchair is playing tennis. A tennis racket is prominently displayed on the left side. The overall theme is tennis and its various forms.
